

Changes to Your MassHealth Coverage

Beginning on January 1, 2027, MassHealth members ages 19-64 may need to meet new requirements to maintain insurance coverage.

- Show that you are working, in school, or volunteering at least 80 hours per month
- Renew your MassHealth coverage every 6 months instead of once per year

Members will be automatically renewed if MassHealth can verify eligibility using available data. If MassHealth is unable to verify eligibility, or if the information could result in a downgrade or loss of coverage, members may receive a blue envelope in the mail containing a renewal form. Members will have 45 days to review the information, make necessary updates, and return the form by the due date. MassHealth may attempt to contact members via text, phone calls, or email.
